

PORTLAND MARKETS

Butter Liable to Take Another Tumble.

Heavy Shipments of California Creamery Weakens the Market—Eggs Are Plentiful With Prices Unchanged—Chickens Are Scarce.

Owing to the heavy shipments of California creamery butter the prices are quoted weak, with a probability of a fall next week. There is no change in the egg market, the supply continuing to be equal to the local demand. There are practically no chickens to be had. Sugar took another advance of 10 cents per hundred pounds. Oranges are firm as a result of the scarcity in California.
